Dear President Venable:

Attached is the Program Approval Review Committee (PARC) recommendation to the NAACLS Board of Directors concerning your Phlebotomy program's Approval as decided at February 11th, 2019 meeting of PARC.

Provided that the Board of Directors concurs with the PARC recommendation, approval for your program will continue until April 30th, 2022. As a result, your program will commence the continuing approval process with submission of the Self-Study Report on September 1st, 2021. We provide this information to assist you in your program's administrative planning.

This letter does not represent a formal approval award by NAACLS. NAACLS will notify you of that award after the next Board of Directors Meeting on April 25th – 26th, 2019.

Sincerely,

A handwritten signature in black ink that reads "Brenna D. Ildza". The signature is written in a cursive style.

Brenna D. Ildza, BHS, MT(ASCP)SH, PBT(ASCP)
Chair, Program Approval Review Committee

cc: Tyra D. Stalling, BS, MSHS, MT(ASCP)

THE FOLLOWING IS THE PARC RECOMMENDATION FOR YOUR PROGRAM AS IT MAY APPEAR IN THE BOARD OF DIRECTORS' OFFICIAL APPROVAL AWARD:

The Phlebotomy Program of **Dalton State College** in **Dalton, Georgia** is recommended for Continuing Approval for **four (4) years minus one (1) year for a previous extension.**

**As a result of a non compliant citation on a previous award, this program is not eligible for a five year award.*

Tyra D. Stalling MLS (ASCP), M.S.H.S. is recognized as the Program Director.
