DALTON STATE
C O L L E G E
2004 COMPUTER NETWORKING TECHNOLOGY
GRADUATING STUDENT SURVEY
SUMMARY REPORT

SECTION I   Demographics

While a student at Dalton State College, I was mainly enrolled:

Full-time	1	100%
Part-time	0	0.0%

How long did it take you to complete your degree program at Dalton State College?

5 Years	1	100%

Section II   Career and Educational Plans

What are your immediate plans after graduation?

Obtain further education	1	100%

If your plans are to continue your education, do you plan to eventually…

Take certificate review courses in my field	1	100%

How well did Dalton State College prepare you for continuing your education?

Extremely well	1	100%

Section II   Career and Educational Plans

What is your current employment status?

Working part-time at a new job I recently obtained	1	100%

Check the one method best characterizes the way you obtained your job?

Direct application	1	100%

What is your starting salary?

$25,001 - $30,000	1	100%

How closely related is your job to your degree major?

Slightly related	1	100%

How important do you feel your Computer Networking Technology program was in obtaining your position?

Not important	1	100%

In your opinion, how difficult was it to obtain a job in your degree major?

Difficult	1	100%

How well did your experiences at DSC prepare you for your job?

Slightly prepared	1	100%

How satisfied are you with DSC's job placement?

Dissatisfied	1	100%

Section III   Performance Skills and Competencies

On a scale of 1 to 5, with 1 being at the low end and 5 being at the high end, please indicate your assessment of how your education at DSC helped you achieve the following performance skills and competencies necessary to show proficiency as a Computer Networking Technology graduate.
(If any skills area should receive a score below 3, the program related courses of study would require further review.)

Knowledge of computers

Scale	Number	%
1	0	0.0%

Section IV   Learning Outcomes

Now that I have completed the Computer Networking Technology program, I am able to …..

Know what computers can and cannot do

Strongly Agree	1	100%

Relate what an operating system is and what it does for the computer user

Strongly Agree	1	100%

Use decision-making and problem-solving techniques to solve networking problems

Strongly Agree	1	100%

Dalton State College   5   *Technical Division*
Institutional Research & Planning   *Computer Networking Technology Program*
Spring 2004   *Graduates Survey Results Report*

Section IV   Learning Outcomes

Install a popular version of UNIX in a server configuration

Disagree	1	100%

Describe what NetWare is and its role in a computer network

Agree	1	100%

Install a window server

Agree	1	100%

Effectively use the server console, Console One, and NetWare Portal Manager

Agree	1	100%

Maintain, upgrade, and analyze microcomputer systems

Strongly Agree	1	100%

Section V   Quality of Instruction and Advising

How would you rate the quality of each of the following aspects of the Technical Division?

The quality of instruction by faculty

Good	1	100%

Academic advising

Good	1	100%

Clarity of program requirements

Good	1	100%

Availability of faculty advisor

Excellent	1	100%

Career counseling and advising

Excellent	1	100%

Quality of instruction in laboratories

Excellent	1	100%

Section V Quality of Instruction and Advising

Accessibility of faculty

Excellent	1	100%

Availability of needed courses

Fair	1	100%

Range of courses from which to choose

Good	1	100%

Information about course requirements

Fair	1	100%

Testing/grading system

Good	1	100%

Class size

Good	1	100%

Classroom and teaching facilities

Good	1	100%

Relevance of classes to career goals and objectives

Excellent	1	100%

Section VI General Satisfaction

Overall, how would you rate your level of satisfaction with the Computer Networking Technology program received at DSC?

Very satisfied	1	100%

Would you recommend the program to someone who would want to major in Computer Networking Technology?

Yes	1	100%
No	0	0.0%

If you could do it all over again would you choose a different major for your degree?

No	1	100%
