1. Double Majors — DOES NOT APPLY TO DALTON COLLEGE

In Part A of this survey, degrees to students with double majors are to be reported once, in the field in which the degree was awarded. (NOTE — This is different from students receiving two degrees — these are both reported in Part A.) The second component of the double major is not reported, which may result in misleading undercounts of some fields of study. In order to gauge the magnitude of this situation, NCES is asking institutions to provide counts of the number of associate's, bachelor's, master's, and doctor's degrees reported in Part A that were awarded with double majors.
