PURPOSE OF THE SURVEY

The National Center for Education Statistics (NCES), collects these data biennially to obtain and report a comprehensive picture of staff in institutions of postsecondary education, by their full-time or part-time status and by the type of work they do. The survey is being conducted in compliance with the Center's mission "to collect, and analyze, and disseminate statistics and other data related to education in the United States. . .", (20 U.S.C. 1221e-1, General Education Provisions Act, Sec 406(b), as amended).

USES OF DATA

Collection of these data over a period of time will produce insights into the use of full-time and part-time faculty and staff in postsecondary education. It will also allow comparisons of staffing patterns by institutional type and control and will permit analysis of the relationship between financial resources and staff resources.

CERTIFICATION - I certify that the information given in this report is correct and true to the best of my knowledge and was prepared in accordance with accompanying instructions. Willfully false statements on this report are punishable by law, U.S. Code, Title 18, Section 1001.

COMPLIANCE REQUIREMENTS

The Office for Civil Rights (OCR) and the National Center for Education Statistics (NCES), with the approval of the Office of Management and Budget, cooperate in the collection of racial/ethnic information from all postsecondary institutions for the Fall Staff survey, Section 100.6(b) of the regulations implementing Title VI of the Civil Rights Act of 1964, set forth below, and similar provisions of the Title VI regulations of other Federal agencies, authorize collection of this information.

100.6(b) Compliance Reports – Each recipient shall keep records and submit to the responsible Department official or his designee timely, complete and accurate compliance reports at such times and in such form and containing such information as the responsible Department official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. For example, recipients should have available for the Department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of and participants in federally-assisted programs. In the case of any program under which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

Public reporting burden for this collection of information is estimated to average 5.0 hours per response but may range from 30 minutes to 10.0 hours depending on whether the information is readily accessible to machine readable files. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Education, Information Management and Compliance Division, Washington, DC 20202-4651, and to the Office of Management and Budget, Paperwork Reduction Project 1850-0582, Washington, DC 20503. Please send completed survey forms to the address shown on the front page of this form.

The definitions and instructions for compiling IPEDS data have been designed to minimize comparability problems. However, postsecondary education institutions differ widely among themselves. As a result of these differences, comparisons of data provided by individual institutions may be misleading.
