For SAT and ACT considerations see the back of this sheet.

***ENGL 0090, READ 0090 & MATH 0090 are certificate preparatory courses for students in Certificate programs. ENGL 0090 & ENGL 0096 are the same course and READ 0090 & READ 0096 are the same course. ENGL 0955 is the Terminal ESL course for certificate students. This course is equivalent to ENGL 90/96. Degree seeking students who successfully exit ENGL 0955 advance to ENGL 0098. A student must exempt or exit out of both ENGL 0098 & READ 0098 before enrolling in English 1101, and Algebra scores of 40 or above place the student in MATH 1111. A degree seeking student scoring below 34 on the COMPASS Pre-Algebra Test may opt to enroll in MATH 0090 his/her first semester. The student would then advance to MATH 0096 and finally, to MATH 0098 to satisfy his/her Math Learning Support requirement.**
