DISABILITY SUPPORT SERVICES GRIEVANCE POLICY AND PROCEDURE

Dalton State College desires to provide appropriate, effective, Disability Support Services (DSS), that comply with all federal, state, local, University System of Georgia, and Dalton State College (DSC) mandates and guidelines. *Any individual* who is of the opinion that our efforts to provide Disability Support Services are non-compliant or are discriminatory, have the following DSS Grievance Procedure to use to seek resolution of the concern.

- Complete the Grievance Form, found on the back of the Disability Support Services Grievance Policy brochure. (The brochure is available in the ACE Center, the Office off Enrollment Services, the Office of Academic Affairs, and on the web at www.daltonstate.edu/ace/DSSPage.html.) Provide all requested information.
- Submit the Grievance Form, within 30 days of the last attempt at resolution, in person, by appointment, to an individual selected from the list provided below. Be prepared to discuss the concern and any additional information that is requested, and to accept a follow-up appointment within 10 college business days.
- If needed, participate in additional meetings and activities necessary to resolve the concern.

The individual who receives the Grievance will:

- A. Review the grievance, and record on a Grievance Documentation Form, any additional information generated during the visit.
- B. Attempt an immediate resolution of the concern, if feasible. If an immediate resolution is not feasible, schedule a follow-up appointment with the individual within ten (10) College business days, and record the plan and appointment on the bottom of the Grievance Documentation Form. Sign the form, along with the individual, and provide the individual with a copy of the Form.
- C. Within three to five (3-5) College business days, prepare and mail, to the address provided at the top of the Grievance Form, a follow-up letter confirming the receipt of the completed Grievance Form, and the follow-up appointment.
- D. Within the next ten (10) College business days, gather additional information and determine the individuals to be involved in the resolution process. Guide the determination of plausible resolutions to the concern.
- E. Document all resolution activities on DSS Grievance Documentation Forms.
- F. Meet with the student, as previously scheduled, and discuss the status of the Grievance and proposed resolutions. Schedule a follow-up appointment with the student within 3 College business days to sign the final resolution agree-

ment letter. Prepare a letter to the student that outlines details of the resolution, individuals responsible for the components of the resolution, and timeframes for implementation.

- G. In person, at the previously scheduled appointment, the student and the individual coordinating the resolution process, will be expected to sign the resolution agreement letter and an exact duplicate of the original, for the DSS file. The student will be given the original letter and a copy of the duplicate. A copy of the original letter and the duplicate will be placed in the student's DSS file. A copy will be provided to each of the aggrieved parties, and to the ADA Coordinator, for the institutional file.
- H. Note: Until a resolution is reached, additional periods of resolution activities and meetings may be repeated, as long as all parties agree the process is moving forward and is productive. The content of discussion, actions taken, and status of the resolution process and plan will be noted on DSS Grievance Documentation Forms.
- I. If any participant determines that the process is no longer progressing, if a mutually agreeable resolution cannot be reached, or, if other avenues of resolution are not available to the staff person who is coordinating the resolution process, the status of the process will be noted on a Grievance Documentation Form. The staff person will arrange an appointment for the student to continue the resolution process with the next appropriate individual, and forward the original Grievance Form to that individual to enable preparation for the next appointment with the student. A copy of the Grievance Documentation Form will be provided to the student.
- j. The DSC Grievance Procedure is available to continue resolution of concerns that are not able to be resolved through the DSS Grievance Process.

Cooperative Education Program

The mission of the Cooperative Education Program at Dalton State College is to provide a structured process of education through partnerships with business, industry, and government which provides students with professional work experience related to an academic field of study.

To be admitted to the Cooperative Education Program, the student must have completed 15 hours of 1000 level or above coursework with a minimum grade point average of 2.75 in his/her major, be in good academic standing with the college, and exited all learning support courses; present three letters of recommendation; and complete a panel interview. Acceptance into the Co-op program does not guarantee placement with an employer.

The Cooperative Education experience will appear on the academic transcript. In addition, students who complete all requirements of the Cooperative Education Program will receive a Co-op Certificate upon graduation. Students in a technical certificate program must work a minimum of one work rotation to receive the Co-op Certificate upon graduation. Students in an A.A., A.S., or A.A.S. degree program must work two rotations to receive a Co-op Certificate upon graduation. Students in a Bachelor's degree program must work three rotations to receive a Co-op Certificate upon graduation.

The two types of work rotations in the Cooperative Education Programs are:

Alternating — Students alternate between one semester of full-time (40 hours per week) work experience and one semester of full-time academic study. Students must receive permission from the Co-op Coordinator to work a back to back work rotation such as fall semester and spring semester. In some cases, students may be permitted to take up to six hours of coursework while working full time, with the permission of the academic advisor and Co-op Coordinator. Students will enroll in a sequence of Co-op courses (COOP 1500, COOP 1501, COOP 1502, COOP 1503). Students will not receive academic or institutional credit for the Cooperative Education experience. A grade of CC for Co-op Credit will appear on the transcript with zero credit hours. Students are not charged a fee for enrolling in a Co-op experience.

Parallel — Students enroll in college for nine credit hours or less with the approval of the academic advisor and the Co-op Coordinator and work part-time (18-20 hours per week) simultaneously. The work facility must be located in the Dalton area. Students will enroll in a sequence of Co-op courses (COOP 1000, COOP 1001, COOP 1002, COOP 1003). Students will not receive academic or institutional credit for the Cooperative Education experience. A grade

of CC for Co-op Credit will appear on the transcript with zero credit hours. Students are not charged a fee for enrolling in a Co-op experience.

FINANCIAL AID

Phone: 706-272-4545

Hours: M-Th 8:00-6:00, F 8:00-5:00

Located in the lower level of the Pope Student Center

The primary purpose of the Office of Student Financial Aid and Veteran Services is to provide financial assistance to qualified and eligible students attending Dalton State College. The family and student are expected to make a maximum effort to assist with college expenses. Financial assistance received from Dalton State College and other sources is viewed as supplementary to the efforts of the family and the student.

Dalton State uses the need analysis system provided by the U.S. Department of Education to determine a student's ability to pay for educationally related expenses. Financial aid at Dalton State College consists of scholarships, grants, campus employment and loans.

WHO CAN RECEIVE FEDERAL AND STATE FINANCIAL AID?

In general, to be considered for federal and state financial aid, a student must:

- Be a United States citizen or eligible non-citizen
- Be accepted for admission to Dalton State College
- Be making Satisfactory Academic Progress for Financial Aid - see section below for more information
- Not be in default on student loans
- Not owe a refund of any federal or state grants
- Have a valid Social Security number
- Males must register with Selective Service at the age of 18
- Students convicted of certain drug offenses are not eligible for aid. Students with drug convictions must complete a drug worksheet available online to determine if they are eligible to receive federal and state financial aid: www.daltonstate.edu/finaid/Forms.htm.
- Students in Mini-Certificate programs of less than 16 credit hours do not qualify for federal aid.

Ineligible non-citizens are only eligible to apply for Foundation Scholarships and other private scholarships.

DO I QUALIFY FOR THE GEORGIA HOPE PROGRAM?

- Students must be Georgia residents for at least one year to qualify for HOPE.
- You do not have to be a full-time student to receive a HOPE Scholarship or Grant.
- **HOPE Scholarships** are for HOPE Scholars who enroll in DSC associate and bachelor's degree programs. Students who were not HOPE scholars following

high school graduation may qualify for the HOPE Scholarship after attempting 30, 60, or 90 college credit hours with a 3.0 HOPE GPA. HOPE Scholarship recipients must have a HOPE GPA of 3.0 at 30, 60, 90 and annual End-of-Spring Checkpoints in order to maintain their HOPE Scholarship. Students with attempted credit hours (DSC & transfer hours) or HOPE paid hours of 127 hours or more do not qualify for the HOPE Scholarship.

- **HOPE Grants** are for Georgia residents enrolled in Technical Division Certificate or Mini-Certificate programs. There is no age limitation or high school grade requirement. The HOPE Grant will only cover **required** Certificate and Mini-Certificate level courses. The HOPE Grant may be received for a maximum of 63 paid hours (starting with Summer 2003) or 127 combined-paid hours (HOPE Grant, HOPE Scholarship and ACCEL), whichever comes first.

MAY I RECEIVE AID AS A TRANSIENT STUDENT?

- Dalton State College does not participate in consortium agreements, so the only financial aid available to transient students is the HOPE Scholarship or Grant. Students who enroll as a transient student at Dalton State College must inform their home school's financial aid office so that a HOPE Eligibility Certificate for Transient Study can be sent to DSC's Financial Aid Office.
- Students who plan to be transient **from** Dalton State College must inform our Financial Aid Office that they intend to be transient, so that we may send a HOPE Eligibility Certificate for Transient Study to the host school. Subsequent HOPE awards cannot be made at DSC until an official transcript is received from the host institution.

HOW DO I APPLY FOR FINANCIAL AID?

1. Apply for admission to Dalton State College and submit academic transcripts from all previous institutions.
2. February 1 is the deadline to apply for DSC Foundation Scholarships for the upcoming academic year. Scholarship details and applications are available at www.daltonstate.edu/foundation/scholarships.html.
3. To apply for HOPE only: Complete the e-HOPE application at www.gsfc.org/HOPE by the priority deadlines listed below.
4. To apply for federal and state aid (Pell, HOPE, SEOG, LEAP, Work-Study, Stafford Loan), complete the Free Application for Federal Student Aid (FAFSA) or Renewal FAFSA by the priority deadlines listed below. The FAFSA may be completed online at www.fafsa.ed.gov or by requesting a paper FAFSA in the Financial Aid Office. DSC's school code is 003956. The FAFSA form must be filed each academic year. The Dalton State College Financial Aid Award Year begins in the fall term and ends at the conclusion of the summer term.
5. Some applications are selected for review in a process called verification. If selected, students will receive a letter or e-mail asking for signed, non-

returnable copies of federal income tax returns and W-2s, along with a Verification Worksheet. After initial review, additional supporting documents may be requested.

6. An award letter or letter of non-eligibility will be mailed or e-mailed in response to a complete aid application. Allow four to six weeks for processing.

PRIORITY APPLICATION DEADLINES

Students should apply for financial aid as early as possible. By applying early, you will be considered for more types of financial aid, and your aid will be available when your college bills are due.

Recommended financial aid deadlines for each term are listed below. Your financial aid file must be **complete** by July 1 for Fall, November 1 for Spring, or April 1 for Summer term, in order to have financial aid available when tuition and fees are due at the beginning of the term. If your financial aid file is not complete by this date, be prepared to pay for tuition, fees and books.

<u>Priority Application Deadline</u>	
Fall 2005	June 1, 2005
Spring 2006	October 1, 2005
Summer 2006	March 1, 2006

The Office of Student Financial Aid will continue to process all applications received after the deadline dates listed above, in the order they are received.

FINANCIAL AID PROGRAMS*

Scholarships

Dalton State College offers **Foundation Scholarships** each year for new and returning students who demonstrate academic excellence and/or financial need. The application deadline is February 1 before the upcoming academic year. Scholarships are awarded for one academic year. For more information and applications, visit www.daltonstate.edu/foundation.

Grants

The **HOPE Scholarship and HOPE Grant** (Helping Outstanding Pupils Educationally) are funded by the Georgia Lottery for Education. For eligible students, HOPE pays 100% of DSC tuition and mandatory fees and provides a book allowance of up to \$150 per semester.* *The HOPE Grant will only pay for required Certificate and Mini-Certificate classes.* HOPE is awarded at DSC based upon the assumption of full-time enrollment and is adjusted accordingly.

The **Federal Pell Grant** is awarded to qualifying undergraduate students working toward a certificate, associate, or first bachelor's degree. Federal Pell Grants range from \$400 to \$4050 per year. The grant amount is determined by the cost of attendance, the Expected Family Contribution (EFC), as calculated by the U.S. Department of Education, and the student's enrollment status. Pell Grant is awarded at DSC based upon the assumption of full-time enrollment, and is adjusted according to the student's schedule each semester. Students who enroll full-time in both the Fall and Spring Semesters will use up all of their Pell Grant eligibility over these two terms.

Federal Supplemental Educational Opportunity Grant (FSEOG) and LEAP (State Grant) are awarded to qualifying undergraduate students working toward a certificate, associate, or first bachelor's degree. Eligibility is based upon Pell Grant eligibility and exceptional financial need. A financial aid application (FAFSA) filed by the priority deadline(s) is recommended. The FAFSA is the **only** application you complete to apply for SEOG and LEAP.

Campus Employment

Limited jobs are available on campus and work schedules are planned around your class schedule. Wages are paid on a bi-weekly basis directly to the student. Students usually work up to 19 hours per week at \$6.15 per hour. Eligibility is determined by the Office of Student Financial Aid based upon a completed FAFSA and a Campus Employment Application.

Financial need is required for students employed in the **Federal Work Study (FWS)** program. Estimated FWS earnings are factored into the calculation of eligibility for other aid, such as the Federal Stafford Loan. In addition to work study jobs on campus, Federal Work Study students may participate in community service jobs, with particular emphasis on the America Reads tutoring initiative.

The Dalton State **College Work Program** is another source of on-campus job opportunities for students. Unlike the Federal Work Study Program, financial need is not a requirement.

To qualify for either work program, students must complete the FAFSA application, a Campus Employment Application, and **MUST** submit a copy of his/her Social Security card and driver's license. Students should refer to the Dalton State College Campus Employment Manual for additional information and requirements for Dalton State campus employment programs. The Campus Employment Manual is available upon request from the Office of Student Financial Aid.

Student workers are not eligible for unemployment compensation or other employee benefits.

Student Loans

The **Federal Stafford Loan** is available to students enrolled at least half-time (six hours) in programs eligible for federal aid. The interest rate is variable and is set each July 1 for the period of July 1 through June 30. The FAFSA is the initial application for Stafford Loans. The Stafford Loan interest rate will never exceed 8.25%. This low-interest loan program features two loan types:

- Subsidized Federal Stafford Loan- the federal government pays the interest while the student is enrolled at least half-time and during a six-month grace period. Students must have financial need to qualify for the Subsidized Federal Stafford Loan.
- Unsubsidized Federal Stafford Loan - the student pays the interest while in school and during the six-month grace period, or requests that the interest be added to the balance of the loan.

Repayment of the Stafford Loan begins six months after the student graduates or drops below half-time enrollment. Request a DSC Stafford Loan application for complete information on the Federal Stafford Loan Program, including annual loan limits and repayment provisions.

Service Cancelable Loans are available to Georgia residents who: 1) are accepted into the Associate of Science Nursing program; 2) demonstrate financial need; 3) are enrolled at least half-time. The annual borrowing limit is \$2,000. The DSC Stafford Loan Application must be submitted early to apply for the Service Cancelable Loan, as funds are limited. Indicate on the Stafford Loan Application that you are applying for the Service Cancelable Loan. Recipients of these loans may cancel all or a portion of their loans by serving as a licensed RN in approved locations within Georgia.

* Award amounts and requirements are subject to change based on changes in federal, state or institutional regulations and/or policies.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS STANDARDS

The U.S. Department of Education requires institutions of higher education to establish minimum standards of Satisfactory Academic Progress for students receiving financial aid. These standards apply to state aid as well, and to all financial aid applicants, regardless of whether financial aid was received during the academic term(s) under review and regardless of when the classes were taken. The standards below represent a change in policy and are effective Fall 2005.

Students must meet requirements in three areas in order to be making satisfactory academic progress: Grade Point Average, Course Completion Rate, and Maximum Time Frame. All attempted hours, including transfer work, are used to evaluate Satisfactory Academic Progress.

1. **Minimum Cumulative Grade Point Average (GPA):** The minimum GPA for financial aid recipients is governed by Dalton State academic performance standards. In order to retain financial aid eligibility, students must maintain the following cumulative GPAs based on total attempted hours. Attempted hours include both Dalton State and transfer hours; however, only Dalton State hours are used to calculate GPA.*

1-14 attempted hours - 1.0 cumulative GPA

15-29 attempted hours - 1.6 cumulative GPA

30-44 attempted hours - 1.8 cumulative GPA

45+ attempted hours - 2.0 cumulative GPA

Financial aid is automatically suspended after a term where all grades are F, U, WF, and or WU or a combination of these grades and Ws.

2. **Course Completion Rate:** All students must successfully complete 67% of all courses attempted. Attempted hours include all hours on a transcript since high school graduation, except audit and credit-by-exam hours. Only grades of A, B, C, D and S are considered satisfactory for financial aid purposes.

The following are considered when evaluating a student's satisfactory academic progress:

- Withdrawals (W, WF), incompletes (I), failures (F) and unsatisfactory (U and IP) grades are considered attempted, but not earned, hours.
- Repeated courses and courses for which the student has been granted academic renewal are included in the calculation of both attempted and earned hours. If a student repeats a course, only the most recent grade will be figured in the institutional GPA calculation.

* HOPE Scholarship GPA is calculated using all attempted hours, DSC and transfer hours.

- Learning Support and ESL courses are included in the calculation of both attempted and earned hours. Financial aid will not pay for Learning Support classes in excess of 30 attempted hours.
 - Transfer credits, including those earned during transient study, do not count in the calculation of GPA, but are included in the calculation of both attempted and earned hours.
3. **Maximum Time Frame (150% rule):** Eligible students may receive financial aid for up to 150% of the number of semester hours required to earn a degree or certificate. For example, if a student is enrolled in a degree program that requires 65 semester hours, that student may receive financial aid, if otherwise eligible, for up to 98 semester hours before exhausting eligibility. Attempted hours for maximum time frame are calculated in the following way:
- Students with no prior certificates or degrees:*** All attempted hours (both DSC and transfer) count towards the maximum time frame.
- Students with prior certificates or degrees:*** Only attempted hours that count towards the student's current major area will be used to calculate maximum time frame, with the following exceptions:
- A maximum of two degrees or certificates at the same level will be allowed. Students may need to appeal to document degrees and certificates earned at other institutions.
 - The overall maximum time frame, based on the student's highest education level, is: Certificate - 120 hours; Associate Degree - 175 hours; Bachelor's Degree - 225 hours.

When SAP Reviews Occur

Financial Aid Satisfactory Academic Progress (SAP) is reviewed at the end of each semester. Financial aid applicants may also be reviewed when application is made, if SAP status has not been evaluated since the last term enrolled at Dalton State, or if the student has transfer hours. Students not meeting the requirements stated above will be placed on probation or suspension, and will be notified as such by the Office of Student Financial Aid.

Probation - The first time a student violates the minimum GPA and/or course completion rate standards, they are placed on financial aid probation. During the semester of probation, the student is eligible to receive financial assistance.

- GPA - one term of probation is allowed for students whose cumulative GPA falls below the minimum standards listed above. *Exception: financial aid is automatically suspended after a term where all grades are F, U, WF, and or W/U or a combination of these grades and Ws.*
- Course Completion Rate - one term of probation is allowed for students whose cumulative course completion rate is below 67%.
- There is no probationary period for maximum time frame.

At the end of the probationary period, the student will be removed from probationary status if both GPA and course completion rate standards are met.

Suspension - If the above standards are not met, the student is placed on financial aid suspension. Students who violate the Maximum Time Frame rule are automatically placed on financial aid suspension. Eligibility may be regained by meeting GPA and Course Completion Rate standards, or aid may be reinstated by appeal.

Appeal Procedure

Students on financial aid suspension may appeal in writing to the Director of Financial Aid. Appeals must be made in writing and should include documentation of mitigating circumstances, which may include medical problems, illness or death in the family, relocation, or employment changes. The Director's decision may be appealed to the Satisfactory Academic Progress Appeals Committee. If an appeal is approved, the Director or Committee may set specific terms for reinstatement of financial aid, which must be met in order for the student to receive aid. Appeal forms are available at: <http://www.daltonstate.edu/finaid/Forms.htm> or in the Office of Student Financial Aid.

Appeal Deadlines - Appeals must be received in the Office of Student Financial Aid **at least one week** before the beginning of a term in order to have an appeal decision before the term begins. Appeals will be reviewed on an on-going basis by the director. The SAP Appeals Committee will meet within the week before each term begins. Appeal decisions will be communicated to the student within one week of review.

CREDIT-BY-EXAM AND AUDITED COURSES

If a student receiving federal or state financial aid registers for a course, then subsequently applies for audit status or credit-by-exam, aid eligibility may be reduced. The student may be required to repay all or a portion of financial aid received during that term.

Students considering a credit-by-exam challenge may want to consider:

- postponing registration for the course they plan to challenge by exam;
- taking the challenge exam early enough to receive credit prior to registration;
- forgoing the exam challenge.

VETERAN CERTIFICATION

Veteran Benefits and Veteran Dependent Benefits are available to qualified veterans and children of deceased and 100% disabled veterans. Initial application is made by completing a VA application in the Office of Student Financial Aid and Veteran Services, and providing a copy of Form DD214. Recipients of veteran benefits may still qualify for other financial aid assistance, and are encouraged to file the Free Application for Federal Student Aid (FAFSA).

Students attending on the G.I. Bill are required to pay all fees as regular students because they are paid benefits directly through the Veteran's Administration. VA benefit applicants should make financial preparation for at least one term to allow for application processing time.

The DSC Veteran's Enrollment Form must be completed each semester. VA students who withdraw, increase or reduce academic load during a term must report this action promptly to the VA Certification Official in the Office of Student Financial Aid and Veteran Services.

Only classes required in the student's program of study qualify for VA benefits. Courses taken for audit are not certifiable for VA benefits. The only physical education course certifiable for VA benefits is Health and Wellness Concepts (PHED 1030). VA benefit recipients must maintain Dalton State College academic performance standards, as outlined in the DSC catalog. Since VA regulations are subject to change, it is the student's responsibility to keep up to date on requirements for VA benefits while attending Dalton State College.

STUDENT HANDBOOK

STUDENT ACTIVITIES

Dalton State College has a full program of co-curricular activities which is administered through the office of the Director of Student Activities. This program is largely promoted by the Student Activities Office through the Student Activities Council and Fine Arts/Lecture Committee, in cooperation with the faculty. The Student Activities Council is made up of students, faculty and staff and is charged with the responsibility of:

1. Establishing the Student Activities Policies and Budgets.
2. Chartering new student organizations on the Dalton State College campus.

Flexibility is the basis on which Student Activities operates in reference to the formation and dissolution of student organizations. Organizations on campus are created whenever students or faculty show interest and needs are shown. It also follows that organizations are dissolved when there is a lack of interest or there are indications that the organization is no longer serving the needs of the students.

Student I.D. Cards

Dalton State College Student I.D. cards are obtained through the Student Activities Office and are required once registration is complete and fees are paid. Cards may be obtained and validated at any time in the Student Activities Office. I.D. cards are used as library cards and as identification for financial transactions.

All student I.D.'s are validated each term with a colored sticker. The sticker indicates that the student is enrolled and has paid all necessary fees for that term.

Students' Rights and Responsibilities

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Institutional procedures for achieving these purposes may vary

from campus to campus, but the minimal standards of academic freedom of students are essential to any community of scholars.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility.

The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community. Dalton State College subscribes to the above statement and has developed policies and procedures which provide and safeguard this freedom.

Student Code of Conduct

Students of Dalton State College have an obligation to assist in making the College an effective place for the transmission of knowledge, the pursuit of truth, the development of self, and the improvement of society.

As citizens, students enjoy the same freedoms that other citizens enjoy and, in turn, they are responsible for conducting themselves in accordance with the requirements of law.

As students of Dalton State College, they are responsible for compliance with all College regulations.

Under the authority of the Board of Regents, the College is delegated the responsibility for establishing and enforcing regulations pertaining to student conduct. (Regents Bylaws, Article VI, Section B.)

(Board of Regents Minutes, 1968-69, pp. 166-168; 1970-71, p. 98)

Disciplinary Procedures

When a student is charged with violation of the foregoing conduct regulations, disposition of the student's case shall be afforded according to Constitutional requirements, due process and in keeping with the procedures outlined below:

1. All complaints of alleged violation by a student shall be made in writing to the Vice President for Enrollment and Student Services. Each complaint shall contain a statement of facts outlining each alleged act of misconduct, and shall state each regulation which the student is alleged to have violated.
2. The student shall be notified in writing by the Vice President for Enrollment and Student Services that he/she is accused of a violation and shall be asked to come in for a conference to discuss the complaint.
3. At the above mentioned conference, the student shall be advised that:
 - a. He/she may, in writing, admit or deny the alleged violation, waive all further hearing, and request that the College official take appropriate action.
 - b. He/she may, in writing, admit or deny the alleged violation. If the case involves the possibility of suspension or expulsion, the Vice President for Enrollment and Student Services shall refer the case to the Discipline Committee for full disposition. Otherwise, the Vice President for Enrollment and Student Services shall make full disposition of the case, except that the Vice President for Enrollment and Student Services may, for good cause, refer any case to the Discipline Committee. Cases may, in very unusual instances, be referred to the Faculty Committee where there exists good cause, e.g., the likelihood of serious emotional damage to the student defendant or others connected with the case. In such cases, all procedures set out herein for cases before the Discipline Committee and appeals therefrom shall be substantively followed.
4. In cases referred to the Discipline Committee, the Vice President for Enrollment and Student Services shall, at least 72 hours in advance of the hearing, notify the student in writing, by hand delivery, if reasonably possible, and otherwise by registered mail to the last local address of the student within the reasonable knowledge of the Vice President for Enrollment and Student Services, concerning the following:
 - a. The date, time, and place of the hearing;
 - b. A statement of the specific charges and grounds which, if proven, would justify disciplinary action being taken;
 - c. The names of witnesses scheduled to appear.

5. The student is expected to notify his/her parents or guardian of the charges, and these persons may request a conference with the college officials prior to the hearing.
6. The decision reached at the hearing will be communicated in writing to the student and, if the student is a minor or if he/she so requests, to his/her parents or guardian; it will specify the action taken by the hearing body and the interest of the College which has been adversely affected by the conduct which necessitated the disciplinary action. Upon the request of the student or his/her parents or guardian, a summary of the evidence will be communicated.
7. The student shall be notified, in writing, of his or her right to appeal the decision of the hearing body. In cases of appeal, any action assessed by the hearing body shall be suspended pending the outcome of the appeal to the President of the College. A copy of the final decision shall be mailed to the student and, if the student is a minor or if he/she so requests, to his/her parents or guardian.

Discipline Committee

1. The Discipline Committee of the College shall consist of seven members: four faculty members (one serving as Chair) nominated by the Committee on Committees and elected by the faculty, and three students appointed by the President of the Student Body and approved by the Student Activities Council. Members hold one-year terms and may succeed themselves.
2. The Discipline Committee shall hear cases involving alleged violations of the Student Code of Conduct which shall be referred to it by the Office of the Vice President for Enrollment and Student Services. Normally, these cases shall be those in which there is a possibility of suspension or expulsion of the accused student.
3. Preliminary investigations of charges against students shall be made by the Office of the Vice President for Enrollment and Student Services. Cases are referred to the Discipline Committee through its Chair. The Chair shall set the time and place for a hearing and shall notify other members, and from that point all summoning of defendant(s) and witness(es) shall be done by the Office of the Vice President for Enrollment and Student Services.
4. Decisions of the Discipline Committee shall be by a majority vote. A quorum shall consist of four members.
5. Any member of the Discipline Committee shall disqualify himself/herself if his/her personal involvement in the case is of such a nature as to be detrimental to the interest of the accused or of the institution.
6. The Discipline Committee shall make a tape recording and/or summary transcription of the proceedings.
7. The hearing and other deliberations of the Discipline Committee shall be open. The Discipline Committee, however, may exclude any person who may be reasonably expected to interfere materially with the hearing or who does interfere materially with the hearing.
8. The Discipline Committee shall provide a brief written summary of each case to the Office of the Vice President for Enrollment and Student Services and to the student involved including, upon request of the student, or his/her parent or guardian, a summary of the testimony and the committee's adjudication.

Rights of Student Defendants Before the Discipline Committee

At hearings of the Discipline Committee, the student defendant shall be afforded all rights required by due process, including:

- A. The right to an advisor of his/her choice.
- B. The right to question the complainant.
- C. The right to present evidence in his/her behalf.
- D. The right to call witnesses in his/her behalf.
- E. The right to remain silent and have no inference of guilt drawn from such silence.
- F. The right to cross examination.
- G. The right to appeal if the Discipline Committee imposes suspension or expulsion.
- H. A tape recording and/or summary transcription of the proceedings shall be kept and made available at the student's request for the sole purpose of appeal decision of suspension or expulsion. The student may also have a verbatim transcript made at his/her own expense. The College shall also have this option at its own expense.
- I. The right to be advised of his/her right to appeal the decision of the Discipline Committee.
- J. The right to attend classes and required College functions until a hearing is held and a decision is rendered. Exceptions to this would be made when the student's presence would create a clear and present danger of material interference with the normal operation and processes or the requirements of appropriate discipline at the College. Such temporary protective measures may be applied where the student is accused of violation of a College regulation or of a local, state, or federal law or regulation. It is understood that such temporary protective measures, if applied, will be without avoidable prejudice to the student.

Disciplinary Measures

The following are possible disciplinary measures which may be imposed upon a student for an infraction of the Student Code of Conduct. This list shall not be taken to be exhaustive and may be enlarged or modified to meet particular circumstances in any given case.

1. Expulsion – severance of the student's relationship with the College.
2. Disciplinary Suspension – temporary severance of the student's relationship with the College for a specific period of time, though not less than one term.
3. Disciplinary Probation – notice to the student that any further major disciplinary violation may result in suspension; disciplinary probation might also include one or more of the following: the setting of restriction, the issuing of a reprimand, restitution.
4. Reprimand –
 - (1) Oral Reprimand - an oral disapproval issued to the student.
 - (2) Letter of Reprimand - a written statement of disapproval to the student.
5. Restitution – reimbursement for damage to or misappropriation of property; this may take the form of appropriate service or other compensation.
6. Forced Withdrawal – from the academic course within which the offense occurred without credit for the course.

Appellate Procedure

Whenever a student shall be expelled or suspended by the Discipline Committee, such student shall have the right to appeal in accordance with the following procedure:

1. The person aggrieved shall appeal in writing to the head of the institution within five days after the action of which he/she complains. The head of the institution shall within five days appoint a committee composed of three members of the faculty of the institution or he/she shall utilize the services of an appropriate existing committee. This committee shall review all facts and circumstances connected with the case and shall within five days make its finding and report thereon to the President. After consideration of the committee's report, the President shall within five days make a decision which shall be final so far as the institution is concerned.
2. Should the aggrieved person be dissatisfied with said decision, he/she may apply to the Board of Regents, without prejudice to his/her position, for a review of the decision. The application for review shall be submitted in writing to the Executive Secretary of the Board within a period of twenty days, following the decision of the President. This application for review shall state the decision complained of and the redress desired. A review by the Board is not a matter of right, but is within the sound discretion of the Board. If the application for review is granted, the Board, or a committee of the Board, shall investigate the matter thoroughly and render its decision thereon within sixty days from the filing date of the application for review or from the date of any hearing which may be held thereon. The decision of the Board shall be final and binding for all purposes. (Minutes, 1962-63, pp. 244-245; Minutes, 1967-68, pp. 750-751; Minutes, 1973-74, pp. 176-177)

Complaints about any function of the College are ordinarily handled as follows: students who wish to file a formal complaint are asked to do so in writing to the head of the department or unit with which the student has a problem; the letter should detail the specifics of the problem or situation and redress requested; if no satisfaction is received or if the student feels uncomfortable submitting a letter to the department or unit, the student may submit the letter to the Vice President for Enrollment and Student Services who will follow through.

Some student complaints have additional formal mechanisms for redress. The processes for these complaints are outlined in the corresponding sections of the Dalton State College catalog .

Review of Policies Related to Student Conduct

In the fall of each even-numbered year, the Student Affairs Council shall appoint a task force to review policies related to student code of conduct, disciplinary procedures and measures, and rights of student defendants. Recommendations for any changes should be made to the Student Affairs Council before the end of the calendar year.

Institutional Policy on Sexual Harassment

Dalton State College seeks to provide an environment that supports effective teaching and learning, mutual respect among students, faculty, and staff, and productive, congenial working relations. Discrimination on the basis of race, religion, color, sex, national origin, or handicap subverts these goals and is unacceptable on this campus.

Sexual harassment, whether overt or subtle, is a form of discriminatory behavior incompatible with institutional commitments and is a violation of policies of the Board of Regents (POLICY MANUAL 802.18) and federal legislation (Title VII of the Civil Rights Act of 1964 and Title IX of the 1972 Educational Amendments).

Legal guidelines published in 1980 by the Equal Employment Opportunity Commission provide the following definition of sexual harassment:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic advancement, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions or academic decisions affecting such individual, (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working or academic environment.

Sexual harassment may occur between individuals of different status or authority in the institution or between peers. Offenders may be subject to dismissal or other disciplinary action after being afforded procedural due process.

Members of the college community are encouraged to resolve sexual harassment situations as informally as possible. Unresolved problems should be reported immediately to a supervisor, a member of the administrative staff, or to the Equal Opportunity Officer (Vice President for Academic Affairs). Every effort will be made to protect the rights, privacy, and confidentiality of both the complainant and the accused and to protect the complainant from reprisals or other discrimination.

Additional information is available in the Dalton State College Policy and Procedures Statement on Sexual Harassment. Copies are available in the office of the President, the Vice President for Academic Affairs, the Vice President for Enrollment and Student Services, and the Fiscal Affairs Office and in the Library.

RIGHTS OF VICTIMS OF SEXUAL ASSAULT

Victims of sexual assault are afforded rights that are recognized by Dalton State College. These rights include assistance by the College to help the victim. A Policy for Victims of Sexual Assault is available in the Student Affairs Office and in the Public Safety Office. In the event of a sexual assault, please contact one of these offices so that assistance can be rendered. Assistance and appropriate referral information for victims is also available in the ACE Center.

Federal Sanctions for Drug Offenders

Official state regulations govern the use, sale, or possession of marijuana, alcohol, and other controlled substances. Violations of these regulations may result in disciplinary action and/or prosecution by proper authorities.

Title 21, United States Code, Sections 841-858 describe the acts and criminal penalties and civil and criminal forfeiture provisions established by Congress, covering 28 pages of text.

Title 21, U.S.C. Section 812, contains five schedules of "controlled substances." Schedule I describes certain opiates; Schedule II contains opium, cocaine, and other addictive substances; Schedule III lists amphetamine, phencyclidine (PCP) and other like matter; Schedule IV involves barbiturates; Schedule V concerns codeine and atropine sulfate, among other preparations. The Attorney General of the United States is authorized to add items to the several schedules.

Health Risks Associated With the Use of Illicit Drugs and Alcohol

Cirrhosis of the Liver; Kidney Damage; Physical and Psychological Addiction; Hallucinations; Lung Damage; Diminished Sperm Count in Males; Impairment of Motor Coordination and Perception; Heart Disease and Failure; Damage to the Developing Fetus; Stomach Ulcers; Brain Damage; Coma; Depression; and Psychosis.

Drug and alcohol abuse result in significant health problems for those who use them. Drug and alcohol use in the workplace not only contributes to lost productivity, but also causes tremendous financial losses related to absenteeism, accidents, health care, loss of trained personnel, and employee treatment programs. Drug and alcohol abuse causes physical and emotional dependence. Certain drugs, such as opiates, barbiturates, alcohol and nicotine create physical dependence. With prolonged use, these drugs become part of the body chemistry. When a regular user stops taking the drug, the body experiences the physiological trauma known as withdrawal. Psychological dependence occurs when taking drugs becomes the center of the user's life. Drugs have an effect on the mind and body for weeks or even months after drug use has stopped. Drugs and alcohol can interfere with memory, sensation, and perception. They distort experiences and cause loss of self control that can lead users to harm others as well as themselves.

There are certainly many additional health risks associated with substance abuse too lengthy to list. The above are some of the most common and detrimental. For more information concerning these health risks and others, please contact Hamilton Medical Center or the Westcott Center of Hamilton Medical Center.
