

ACADEMIC CALENDAR 2006 - 2007

Orientation and Registration for New Students

All new students are required to participate in New Student Orientation. Orientation sessions are scheduled during June and July for new Fall students, December for new Spring students, and May for new Summer students. As soon as new students complete admission requirements and are accepted, they will receive written notification of the specific dates and times for New Student Orientation (see pages 17-37 for admission requirements). New Student Orientation gives students an opportunity to become acquainted with staff, learn about campus services, meet with an academic advisor, and register for classes.

Note: Students who complete their admission requirements and are accepted early will be eligible to attend the earliest orientation sessions, which have a greater selection of classes.
