

TECHNOLOGY MANAGEMENT*
Bachelor of Applied Science

The Bachelor of Applied Science in Technology Management degree is designed to provide applicants who have earned an Associate of Applied Science or Technology degree and completed 3 years work experience in their area of expertise the opportunity to continue their education. The BAS degree will prepare students to pursue a management position in the area of their AAS/AAT degree. The combination of a well founded technical education coupled with business courses will prepare graduates for both technical and managerial positions in a variety of business settings. This degree requires passing or exempting the Regents' Testing Program and proof of computer literacy.
