

LICENSED PRACTICAL NURSING

Certificate

Dalton State College Division of Technical Education offers a nursing program leading to a certificate in Practical Nursing. This program provides graduates with the knowledge and clinical expertise necessary to give direct nursing care to patients in a variety of settings. Some clinical experiences involve out-of-town travel and evening hours. The program of study includes general education and nursing theory which provides opportunities to care for patients of all ages. This program is approved by the Georgia Board of Nursing. Graduates are eligible to take the National Council Licensure Examination (NCLEX LPN) for Licensed Practical Nurse (LPN) licensure. There are specific practices and/or acts delineated in the Nurse Practice Act which may prevent a candidate from being granted a license to practice as a Licensed Practical Nurse. For more information, contact the Practical Nursing Department at 706/272-2658.

LPN Program admission requirements are:

1. Official acceptance to Dalton State College
2. Completion of LPN program application forms
3. Complete each program pre-requisite (ALHT 1110, ALHT 1111, CAPS 1101, BIOL 1100, ENGL 1000, MATH 1102, READ 1100) with a "C" or better and achieve a minimum cumulative 2.5 GPA on these same program pre-requisites.
4. PSB Practical Nursing Entrance Exam

Students meeting the above criteria are not guaranteed admission to the Licensed Practical Nursing program. Since enrollment in the program is limited, those students meeting pre-nursing requirements will be evaluated by program faculty and the most qualified will be selected.

The following documents must be submitted each year the student is enrolled:

1. Physical examination report, with documentation of required immunizations
2. CPR certification (American Heart Association CPR for Health Care Providers)

Please be advised that there may be additional costs for uniforms, equipment, testing, liability insurance, books and other items as needed. For a listing of these additional costs, please see an official in your program office.

Clinical facilities used by the program may require students to submit to background checks and drug screenings before they are allowed in the facility. Based on the information obtained, these facilities can refuse student access. Failure to be accepted into clinical facilities may jeopardize a student's ability to complete the program.

LICENSED PRACTICAL NURSING

Certificate

This program requires proof of computer literacy.

Course	Number		Credit Hours
