(Ask for either at the Reference Desk)

- 1) *Your "Works Cited" list should be placed at the end of your paper, arranged in alphabetical order ("letter-by-letter") by author/first author or title (if author unknown)*
- 2) *Double-space your entries and indent all lines after the first by 5 spaces ("hanging indentation")*
- 3) *Use underlining instead of italics*
- 4) *Electronic sources are cited like their printed counterparts, but date of access and the electronic address (in angle brackets) are added*
