

Program Pathway for Bachelor of Business Administration in Finance and Applied Economics

Program Summary

Do you enjoy following the stock market, and do you often wonder how the markets work? A finance and applied economics program offers you an analytical skill-set which allows you to anticipate unforeseen scenarios, evaluate relevant risk factors, and provide an optimal solution. Likewise, if managing an organization's cash supply sounds interesting to you, you might enjoy this field.

Career Options and Outlook

Graduates of the finance applied economics degree program will be prepared for careers in a variety of industries including banking, risk-management, and government. Career options can include:

Financial Planning and Analysis

Insurance

Investment Banking

Program Pathway Information

This map is a term-by-term sample course schedule and is a general recommendation. DSC encourages all students to take between 30-33 hours per year to graduate in four years. Learning support requirements may impact schedule. ENGL 1101, 1102, MATH 1101, 1111 are foundation courses. Bold and asterisk (*) courses have been identified as "key courses." It is required that students pass these key courses with a "C" or higher in order to be successful in this program. Please note this includes ALL 3000-4000 level business courses. **Finance and applied economics electives are very limited.** To ensure on time graduation, take elective courses as early as possible to prevent delays. Most major courses will be offered on a morning/afternoon schedule.

Milestones

First Year Milestone: Complete foundation courses.

Second Year Milestone: Complete major related 2000 – level courses with a 2.25 GPA or higher. Consider joining student organizations.

Third Year Milestone: Complete BUSA 3301. Consider internships.

Fourth Year Milestone: Submit graduation application by the end of the first term. Complete FINC 3056, MNGT 3051, MARK 3010, LSCM 3251, BUSA 3701 by the end of the first term. Prepare for graduate school programs.

The milestones listed each year are designed to keep you on track to graduate. Students are strongly encouraged to meet with their academic advisor each year to review their progress.

Suggested Minors

Business Analytics

Entrepreneurship

Students are encouraged to differentiate themselves in the marketplace and can do so by completing a minor. All minors in the Wright School of Business are targeted programs aimed to meet workforce needs, improve your marketability, and can be completed quickly.
