DEFINITIONS

“Faculty” refers to all full-time and part-time teaching faculty, including tenured, tenure-track, and temporary faculty; lecturers; instructors; and certified librarians who comprise the corps of instruction. “Dalton State College” refers to the sum of the Dalton campus and other off-campus instructional sites unless otherwise specified.

ARTICLE I NAME AND PURPOSE

The Faculty Senate of Dalton State College is a deliberative and representative body of the faculty that serves as the voice of the faculty and as the mechanism for shared governance at the College.

The Faculty Senate shall have the following purposes:

1. to prescribe policies and changes in policy to the President of the College and the Faculty, except those mandated by the Board of Regents;
2. to create and staff standing and ad hoc committees to examine issues and concerns in greater depth, and to monitor the actions and policies of the institution;
3. to serve as a forum for the discussion of concerns and issues important to the faculty as professional educators, experts in their fields, or employees of the institution;
4. to communicate the Faculty’s concerns to the President of the College and administration with respect to institutional policies and procedures, strategic planning, and actions taken by the President of the College as a representative of the institution;
5. to communicate the actions, decisions, and recommendations of the Faculty Senate to the Faculty.

Specifically, as stipulated by the *Board of Regents Policy Manual*, Section 3.2.4, “the Faculty Senate, subject to the approval of the President of the institution, shall have the authority to prescribe regulations regarding admission, suspension, expulsion, classes, courses of study, and requirements for graduation; and to make such regulations as may be necessary or proper for the maintenance of high educational standards. The Faculty Senate shall also have primary responsibility for those aspects of student life and athletics which relate to the educational process, but also subject to the approval of the President of the institution.”

A copy of an institution’s statutes, rules, and regulations made by the faculty shall be filed with the Chancellor. When there is inconsistency or conflict between the Faculty Senate Bylaws and various governing documents, resolution will be settled by an ad-hoc committee selected by the President of the Senate or, in cases of a potential conflict of interest, a representative appointed by the President of the College.

ARTICLE II MEMBERS

Section 1: Membership

Membership of the Faculty Senate shall consist of the President of the College, the Provost and Vice President for Academic Affairs, and elected senators. The President of the College and the Provost and Vice President for Academic Affairs shall be non-voting members.

Section 2: Qualifications

Any full-time tenured or tenure-track teaching faculty, full-time lecturer, or certified librarian not holding a full-time administrative office at Dalton State College shall be eligible for election to the Faculty Senate after his or her first year of service. A faculty member holding a full-time administrative office, including department chair or dean, cannot be a senator or serve as a proxy for a senator.

Section 3: Representation

The Faculty Senate shall be composed of representatives from each academic school plus one senator elected from the library staff. The number of representatives per school shall be one senator for every five full-time faculty members in the school, plus up to one additional representative, as shown by the examples in the following table.

Number of Faculty	Number of Senators	Number of Faculty	Number of senators
1-7	1	58-62	12
8-12	2	63-67	13
13-17	3	68-72	14
18-22	4	73-77	15
23-27	5	78-82	16
28-32	6	83-87	17
33-37	7	88-92	18
38-42	8	93-97	19
43-47	9	98-102	20
48-52	10	103-107	21
53-57	11	108-112	22

If the number of faculty in a school is not evenly divisible by five, then a remainder of one or two will result in no additional representatives; but a remainder of three or four will result in one additional representative added to the total number of senators from the school.

Section 4: Elections

Senators shall be elected by the school and by secret ballot no later than the end of the first full week of classes of the Fall semester. A senator shall be elected by a plurality of votes cast for nominees and counted by a minimum of two non-administrative faculty members not on the ballot. The dean shall forward the names of elected senators to the President of the Senate within three working days after the election.

Section 5: Term of Service

The term of service shall be three years for a senator. A year of service shall begin at the first Faculty Meeting of an academic year held in August and continue until the first Faculty Meeting of the next academic year.

Section 6: Attendance

Senators are expected to attend all meetings of the Faculty Senate unless extenuating circumstances prevent attendance. A senator who cannot attend a meeting shall choose a qualified proxy to serve in his or her place. The proxy shall have full voting privileges but must meet the qualifications of a senator as specified in Section 2 of this Article. If a senator is absent from two consecutive Faculty Senate meetings without appointing a proxy, the Secretary shall inform the senator's dean of the chronic absence by letter.

Section 7: Resignation

A senator who is unable or unwilling to perform the expected or requested duties of the office shall submit a letter of resignation to the President of the Senate. A senator appointed to a full-time administrative office must also vacate the office upon assumption of his or her administrative duties. Once a letter of resignation has been submitted, a new election to fill that office shall be held by the school, preferably before the next Faculty Senate meeting.

Section 8: Recall of Senators

The faculty of a school may recall a senator by a majority vote of the school's faculty.

Section 9: Unexpired Terms of Service

In the case of an unexpired term of service for a senator, the school shall elect a representative to fill the remainder of the term following the procedures outlined in Section 4 of this Article.

ARTICLE III OFFICERS

Section 1: The Executive Committee

The officers of the Faculty Senate shall be the President of the Senate, the President-elect, the Secretary, the Parliamentarian, the Webmaster, and the Immediate Past President (as an ex-officio member). The officers shall comprise the Executive Committee of the Faculty Senate. The purpose of the Executive Committee is to serve as liaison to the administrative officers of the College when necessary or warranted and to appoint senators to Faculty Senate committees.

Section 2: Election and Term of Service

The President of the Senate shall seek nominations for vacant offices by April 1 and shall conduct an election by secret ballot at the final Spring meeting of the Faculty Senate. Senators shall elect officers by a plurality of votes cast for nominees. The term of service for each officer shall be two years, which shall begin on July 1 following their election to office. An officer may be removed from office by a two-thirds vote of the senators present at a Faculty Senate meeting, provided a quorum has been met.

If a member of the Executive Committee is serving as a senator when elected to office, he or she shall complete the three-year term as an elected representative. If that term concludes while the individual is still serving as an officer, he or she shall continue in the senate as a representative of the full faculty and not a representative of his or her school. The same shall be true for a faculty member elected to an office on the Executive Committee who is not currently a senator.

Section 3: Filling Vacancies on the Executive Committee

In the event the President of the Senate cannot complete his or her term for any reason, the President-elect shall assume the role of President of the Senate. If the remaining term of service of the President of the Senate is more than one year, then the current academic year shall be considered the President-elect's first year of service as President. If the remaining term of service of the President of the Senate is less than one year, then the President-elect shall fill the remaining term of the previous President of the Senate before beginning his or her full term of service on July 1. In this instance, the new President shall fill the now vacant position of President-elect for only the remainder of the term, using the process outlined below, without the new President-elect succeeding as the next President of the Senate.

If any office on the Executive Committee is vacated during the two-year term of service, it shall be filled by recommendation from the President of the Senate. The President shall identify a faculty member to assume the office on the Executive Committee and present that individual to the Senate for consideration. By a two-thirds vote of the Senate, this individual shall be confirmed to the

recommended office and shall complete the remainder of the two-year term on the Executive Committee.

Section 4: Official Duties

A. President

The President of the Senate shall be considered a representative of the full faculty and not a representative of his or her school. While serving in this office, the President shall receive one course release during each Fall and Spring semester. The President of the Senate shall have the following duties:

D. Parliamentarian

The Parliamentarian shall ensure that the Faculty Senate follows parliamentary procedures according to the latest edition of *Roberts Rules of Order: Newly Revised*. The Parliamentarian shall have the following duties:

1. Monitor the proceedings of Faculty Senate meetings to ensure compliance with the latest edition of *Roberts Rules of Order: Newly Revised*;
2. Inform and instruct Faculty Senate members and visitors on proper procedures, as warranted;
3. Settle all questions regarding procedure in accordance with established parliamentary procedure and these Bylaws.

E. Webmaster

The Webmaster shall ensure the upkeep and maintenance of the Faculty Senate Webpage including uploading, formatting and updating of all materials placed on the Faculty Senate Webpage. The Webmaster shall have the following duties:

1. Contact the Office of Computing and Information Services (OCIS) at the beginning of each term in order to acquire editing privileges for the Faculty Senate webpage;
2. Ensure, in conjunction with the Library senator, that all official documents of the Faculty Senate shall be secured in the Derrell C. Roberts Library Repository, which shall serve as the document depository for the Faculty Senate.

F. Immediate Past President

The Immediate Past President of the Faculty Senate shall serve as ex-officio, non-voting consultative officer of the Faculty Senate and the Executive Committee. The Immediate Past President Shall have the following duties:

2. Preside over regular Senate meetings in the absence of both the President and the President Elect;
3. Undertake the duties in the absence of the Secretary at Faculty Senate meetings.

The Immediate Past President will serve as a consultative officer of the Faculty Senate for one year to begin the July immediately upon the completion of their term of service as President of the Faculty Senate, and to conclude at the final Faculty Senate meeting of the following academic year. In the event the outgoing President is unable or unwilling to serve as the Immediate Past President, the President of the Faculty Senate will appoint another past Faculty Senate President as a replacement for the Immediate Past President.

ARTICLE IV MEETINGS

Section 1: Parliamentary Procedure

The rules contained in the current edition of *Robert's Rules of Order: Newly Revised* shall govern the Senate in all cases to which they are applicable and in which they are not inconsistent with these Bylaws or any special rules of order the Senate may adopt.

Section 2: Quorum

A quorum shall exist when more than 50 percent of the elected senators are present. No official business of the Faculty Senate may be conducted without a quorum, including but not limited to voting on motions or elections.

Section 3: Regular Meetings

The Faculty Senate shall convene in open session and in a space adequate for potential visitors at least three times each Fall and Spring semester. Meetings shall begin at 3:15 p.m. on the second Thursday of each month during the Activity Period, except the final Faculty Senate meeting of the semester which shall be held prior to the final assembly of the Faculty. Section 6: Executive Session

The Faculty Senate may hold an executive session, in accordance with the Georgia Open Meetings Act, at any regular or special meeting by two-thirds majority approval of the members present. When entering executive session, all visitors and non-voting members of the Faculty Senate will be asked to leave the meeting.

ARTICLE V

RESOLUTIONS: FACULTY REVIEW AND PRESIDENTIAL RESPONSE

Section 1: Resolutions

The majority of decisions made by the Faculty Senate shall occur through the approval of motions by senators, after which the President of the Senate and the Executive Committee shall act in accordance with the decision. In some instances, a Resolution shall be passed. A Resolution is a formal, written motion that follows an accepted format which includes clauses that explain why the Resolution is needed before stating the action to be taken once approved. After being passed by the Senate, a Resolution must be distributed through a formal process so that it can be reviewed by faculty and receive a response from the President of the College.

Section 2: Faculty Review

Resolutions approved by the Faculty Senate are subject to review by the full faculty. The Secretary shall forward to all faculty members the text of a Faculty Senate Resolution within 10 days of the meeting in which it was passed. Upon the written request of 25 percent or more of full-time faculty members, the President of the College will call, in a timely manner, a meeting of the full faculty to discuss, review, and/or overturn any Faculty Senate Resolution. Faculty may overturn Resolutions of the Faculty Senate by a two-thirds vote of the faculty present at any official College faculty meeting. In addition, any changes to the Dalton State College Statutes as recommended by the Senate must be approved by a majority vote at a faculty meeting.

Section 3: Presidential Response

The President of the Senate shall submit in writing Resolutions passed by the Faculty Senate to the President of the College within four working days of the meeting at which they were passed. The President of the College, upon receiving such recommendations, shall respond in writing to the President of the Senate within 20 calendar days or within 3 days before the next Faculty Senate meeting, whichever is less.

- A. If the President of the College approves a Faculty Senate Resolution, then the Resolution shall immediately become official College policy, providing the Faculty have received notice of the Resolution and have not requested a meeting to discuss it.

- B. If the President of the College vetoes a Faculty Senate Resolution, either fully or partially, then he or she shall provide to the President of the Senate a written explanation of the reasons for the veto.
- C. In the event of a veto, the Faculty Senate may respond by accepting the veto, by sending to the President of the College a compromise Resolution, or by rejecting the President of the College's veto for the record with a two-thirds vote of the senators present at a regular or special meeting of the Faculty Senate.
- D. If the Faculty Senate rejects the President of the College's veto, then the topic of the Resolution shall automatically become an agenda item for the next meeting of the full Faculty, where the President of the Senate or a designee shall present the arguments in favor of the Resolution and the President of the College may offer a response.

ARTICLE VI PARLIAMENTARY AUTHORITY

The rules contained in the current edition of *Robert's Rules of Order: Newly Revised* shall govern the Faculty Senate in all cases to which they are applicable and in which they are not inconsistent with these Bylaws and any special rules of order the Faculty Senate may adopt.

Section 2: Approval

Amendments to these Bylaws must be approved by both the Faculty Senate and the faculty of the College. An amendment requires a two-thirds majority vote by the senators present to pass the Faculty Senate, as well as approval by a two-thirds majority vote of the full faculty.

The Faculty Senate may create a standing committee by majority vote at any time; however, a standing committee may be dissolved by the Faculty Senate only with the approval of the President of the College.
