The DSC Bookstore, located on the upper level of the Pope Student Center, stocks all required textbooks and other course materials, general student supplies, college gear, convenience items, and snacks. The DSC Bookstore strives to work with faculty to provide the best course materials options for students. Please contact the DSC Bookstore directly to discuss specialty book orders or digital options for course materials.

The DSC Bookstore operates Monday through Friday and extends store hours during the first two weeks of each academic term. Please visit [DSCBookstore.com](http://DSCBookstore.com) to view store hours and purchase course materials, Dalton State gear, and more.

State regulations require that all sales of merchandise on campus, including textbooks and other course materials and supplies, be conducted through the DSC Bookstore or another unit of the Office of Fiscal Affairs. The DSC Bookstore provides "buy back" services for unwanted used textbooks Monday through Friday during normal store hours. No other "buy back" operations are authorized on campus. If you are approached by an unauthorized used book buyer on campus, please contact Public Safety (Ext. 4461).
