JOB SHADOWING AND INTERNSHIPS
Freshman and sophomore business students are offered job shadowing experiences to help them decide on a major. Juniors and seniors have the opportunity to complete an internship within a field of study to gain practical experience and a competitive advantage in the job market.

GETTING INVOLVED
Our business students glean important information and advice from local and nationally recognized business leaders. In addition, business tours, clubs, professional organizations and a robust study abroad program provide a wide range of learning and development opportunities outside the classroom.
