Vaccination Incentive Program

Dalton State College is committed to providing a safe and healthy campus. To help achieve this goal, Dalton State will provide an incentive to faculty, staff and students to get vaccinated against COVID-19. In implementing this new incentive plan, DSC will follow all applicable federal guidelines.

INCENTIVE PLAN DETAILS

Guaranteed Incentive

Effective September 20th, faculty, staff and students who get **fully vaccinated** between September 20th and November 12th, 2021 will receive $200 (faculty and staff) or $300 (students) in gift cards. Vaccination is considered complete after one dose of the Janssen vaccine from Johnson & Johnson or the second dose of Moderna or Pfizer. Faculty and staff will receive $100 after their first dose and $100 after their second dose. Students will receive $150 after their first dose and $150 after their second dose. If they receive a one dose vaccine (Johnson & Johnson), they will receive $200 (faculty and staff) or $300 (students) in one transaction. Individuals who have received the first of two doses (Moderna or Pfizer) prior to the program start date but receive their second dose during the program period will be eligible for either $100 (faculty and staff) or $150 (students).

To receive the incentive, faculty, staff and students may participate in the vaccine clinics held on campus on September 27th and October 18th or any additional dates added during the program period. Incentives are also available to faculty, staff and students who receive a vaccine at an off-campus location.

Individuals who get vaccinated during the program will bring their Roadrunner ID and Vaccination Card to Campus Services after each shot to be eligible to receive the gift cards.

Chance Incentive

As an additional incentive, faculty, staff and students who are fully vaccinated are eligible to participate in a weekly random drawing. Nine names will be randomly selected each week. The individual’s vaccination does not have to occur during the incentive period to be eligible for the drawing. The randomly selected individuals will receive $500 in gift cards. The first drawing will take place on September 22, 2021, and will continue for 8 additional weeks, ending on November 17, 2021.

To participate in the chance incentive eligible faculty, staff and students will need to self-register for the drawing. Self-register by logging into the Roadrunner Portal, click the Banner drop down at the top of the page, choose "Answer a Survey", and click on "Vaccine Chance Drawing".

Fully vaccinated individuals that are randomly selected to receive a gift card will be required to show their Roadrunner ID and Vaccination Card to Campus Services.
Additional Details

- Only currently enrolled students or currently employed full-time, temporary and part-time faculty and staff are eligible for the incentives.
- The plan period is from September 20th, 2021 – November 12th, 2021.
- The guaranteed incentive is only for those who have not been fully vaccinated for COVID-19 vaccine prior to September 20th, 2021. You must receive your final dose between September 20th, 2021 and November 12th, 2021 in order to receive the full incentive.
- The chance incentive is open to anyone that is fully vaccinated at the time of the drawing.
- Each student and employee may only receive one $200 or $300 incentive at the time of vaccine completion.
- Each student and employee may only win the weekly $500 drawing one time.
- Gift cards will be provided through Giftogram eGift Cards.
- Executive level employees (or members of the President’s cabinet) will not be eligible for this incentive.
- Employees: all gift cards received under this plan are taxable income and will be reflected on your W2.
