

How to Find Course Reference Numbers (CRNs)

Visit www.Daltonstate.edu

1. Scroll over the "Academics" link and click on the "Classes" link
 - Click on **Class Schedule** link
2. Select the term you would like to search (Spring 2018, Summer 2018, etc...)
 - Click **Search**
3. Select the "All parts of term"
 - Click **Submit Part of Term**
4. On the next screen, fill out the appropriate information. These would be courses that you would like to take and courses that you and your advisor have approved.

A. The Subject Code is a four letter heading such as... **Subject Code:**

MATH, BIOL, ENGL, PSYC, or COMM

B. The Campus Code describes where the class will be held **Campus Code:**

Example: **Main Campus** – Class offered at the **Dalton Campus**

C. This is the four numbers that follow a course Subject code: **Course Number:**

Example: **1101, 1111, 1113, 1107K, 1212K, 2253**

5. The next page will show all available sections of the course. The CRN will always be listed on the left side of the page. It is the five digit number. Spring courses start with the number two (2), Summer starts with five (5) and fall will start with eight (8).
