## Overview

### IPEDS Student Financial Aid Component Overview

#### Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

#### Changes to This Year's SFA Component

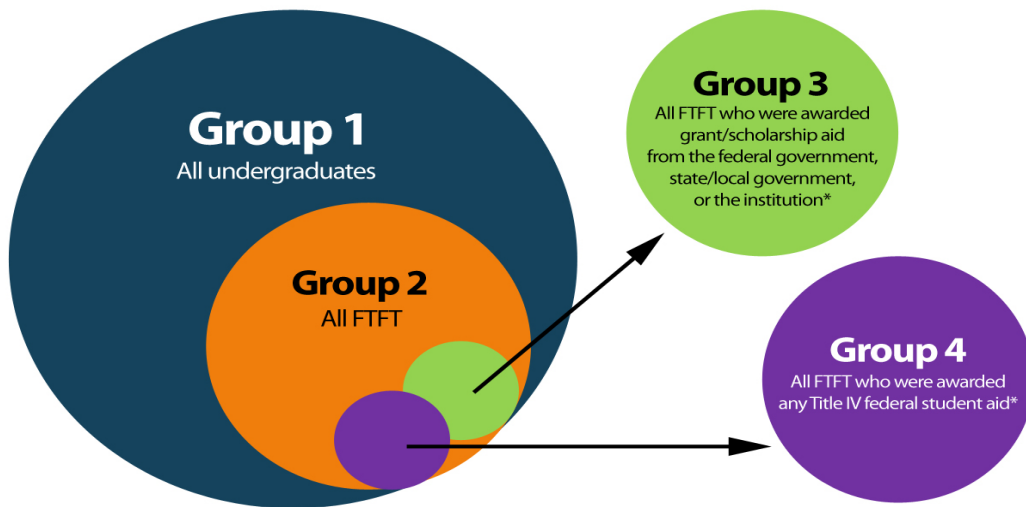

There were no changes implemented for the 2016-17 data collection period.

#### Data Reporting Reminders

##### Undergraduate Student Groups

You will be asked to report information for different groups of students.

- **Group 1:** All undergraduate students
- **Group 2:** Of Group 1, full-time, first-time degree/certificate-seeking students
- **Group 3:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- **Group 4:** Of Group 2, students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

\*For public institutions, include only those students paying the in-state or in-district tuition rate. For program reporters, include only those students enrolled in the institution's largest program.

#### COA Revisions

Revisions to Cost of Attendance used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

#### College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the Department's College Affordability and Transparency lists.

#### Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

#### Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

**Section 1: Comparison Chart****Comparison Chart**

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 are correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

**Note:** Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

As required by the Higher Education Opportunity Act of 2008, these amounts will be posted on the U.S. Department of Education's College Navigator website.

 The notes below provide context for the data you've reported above and may be posted on the College Navigator website. Choose one option that best explains your data or choose "Non-applicable" if you do not wish to provide context notes. If none of the options provided explains your institution's data, then choose "Other" and write your own context notes. Notes should be written to be understood by students and parents. For example, institutions may report here other sources of private aid not included in the categories listed.

**Summary****IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2016.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).

<b>Screen: Part A - Establish your groups</b>				
Upload File	The number entered is outside the expected range of between 586 and 878 when compared with the prior year value. Please correct your data or explain. (Error #7121)	Explanation	Yes	
Reason:	The number is outside the expected range because we had an increase in overall enrollment during this year.			
<b>Screen: Part C, Page 2 - Enter Information about Group 2</b>				
Upload File	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 5,801 and 8,701 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason:	The amount of athletic aid awarded to students was less this year than in years past. We had some budget cuts and less donations during this year.			
Screen Entry	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 447 and 669 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason:	The number of students awarded SEOG was less than last year because the award amounts were more per student.			
Upload File	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 4,220 and 6,328 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason:	This number increased for us because we had an increase in the housing cost that required more students to take out private loans.			
Upload File	The average amount of this type of aid awarded to Group 2 students is outside the expected range of between 4,675 and 7,011 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason:	The amount of Pell and other federal grant eligibility increased. We also had a bigger allocation for both federal and campus-based work study funds. These awards caused the loan volume to be less for this group of students.			
<b>Screen: Part E - Enter Information about Group 4</b>				
Upload File	The number entered is outside the expected range of between 233 and 431 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This number has decreased due to recruiting efforts that include geographic areas further from the college. The incoming class is not coming strictly from our local service area which often requires that they live on campus.			
Upload File	The number entered is outside the expected range of between 74 and 136 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason:	This number has decreased due to recruiting efforts that include geographic areas further from the college. The incoming class is not coming strictly from our local service area which often requires that they live on campus. We have also increased the amount of spaces on campus.			
Upload File	The calculated average amount of grant or scholarship aid awarded to Group 4 students from the federal government, state/local government, or the institution for this income level is smaller than expected in comparison with the other income levels. Please check the values reported for the number of these students who were awarded any Title IV aid (Col. 1) and the total amount of grant or scholarship aid awarded to them (Col. 3) and correct your data or explain the discrepancy. (Error #7317)	Explanation	Yes	
Reason:	This difference is due to the decrease in athletic scholarships that were awarded.
