Organizational Funding

1) The maximum amount an organization can receive for the academic year via the Budget Request is $2000. If funds are appropriately depleted and if additional funds are available, organizations may submit a Request for Funding.

2) Organizations must attend a minimum of six SGA meetings during the current academic year. If an RSO fails to meet this requirement the RSO will not be allowed to request money from the SGA for the next academic year (this includes through a Budget Request or through a Request for Funding).

3) Organizations must be registered and recognized by Dalton State College and the Office of Student Life as an active organization.

4) If an organization is receiving travel funds, the student(s) receiving the funding must meet with Student Life prior to traveling and provide all needed documentation (including hotel confirmation, airline travel, registration costs, W-9’s, and other types of expenditures) at least one month prior to the trip.

5) If an organization is receiving travel funds, the student(s) receiving the funding must be currently matriculating with at least six credit hours and have successfully matriculated the previous semester (excluding summer semester) with at least three credit hours and have a cumulative GPA of at least 2.0.

6) If an organization is receiving travel funds, the organization must present at the next SGA meeting immediately following their trip/conference on their learning experience and how the organization plans to use this newly gained knowledge and/or experience. Failure to follow through with this commitment will require full repayment of funds to the SGA.

7) If an organization is receiving travel funds, the student(s) receiving the funding must be in good academic and conduct standing.

8) Organizational budgets can be spent on apparel, if deemed as a mandatory uniform and/or essential to a program/event/mission/etc., that includes the organization name and the DSC logo. All designs must be preapproved by Student Life. Request for Funding cannot pay for any apparel items.

Individual (Non-RSO Related) Requests

1) If a student is attending a conference and not presenting, the maximum award amount is $500. If a student is attending a conference and is presenting, the maximum award amount is $1000.

2) If funding is approved, the individual receiving funding must sit down with Student Life prior to the travel and provide all needed documentation (including hotel confirmation, airline travel, registration costs, W-9’s, and other types of expenditures) at least one month prior to the trip.

3) If a student is receiving travel funds, the student receiving the funding must be currently matriculating with at least six credit hours and have successfully matriculated the previous semester (excluding summer semester) with at least three credit hours and have a cumulative GPA of at least 2.0.
4) If a student is receiving travel funds, the student must present at the next SGA meeting immediately following their trip/conference on their learning experience and how s/he plans to use this newly gained knowledge and/or experience. Failure to follow through with this commitment will require full repayment of funds to the SGA.

5) Request for Funding for any event and/or travel that has already taken place will not be eligible for reimbursement unless prior approval was obtained.

6) If a student is receiving travel funds, the student receiving the funding must be in good academic and conduct standing.

** Academic Related/Faculty Requests for Students

1) Most academic related funding should be requested through the Office of the VPAA.

2) SGA will only fund co-curricular types of trips that are purposely academic related (e.g. academic fieldtrips, etc.).

3) If funding is approved, the individual receiving funding must sit down with Student Life prior to the travel and provide all needed documentation (including hotel confirmation, airline travel, registration costs, W-9’s, and other types of expenditures) at least one month prior to the trip.

4) Under no circumstances will SGA pay for faculty travel, unless that faculty member is absolutely essential to the student trip.

5) Request for Funding for any event and/or travel that has already taken place will not be eligible for reimbursement unless prior approval was obtained.

6) Funding for academic purposes must explain how this funding will directly benefit Dalton State College students.

*If needed, the VPRESS, the Director of Student Life, and/or the SGA President may make allowances for special circumstances.*
