

Student Traffic Appeal

All fines not waived must be paid to the Business Office, located in the Westcott Building. The right to appeal *will be forfeited after five business days* from the date of receiving the violation. The first right of appeal will be presented to the Director of Public Safety. The second right of appeal will come before the Traffic Appeals Committee for a last and final decision. Failure to pay fines approved by the Traffic Appeals Committee will result in withholding of grades and transcripts to other institutions or agencies. In addition, outstanding fines may also hinder registration.

Per the Constitution of the Student Government Association (SGA), the Traffic Appeals Committee has been charged with the responsibilities of receiving, considering, and making decisions relative to traffic violations. The committee shall consist of five students appointed annually by the President of the Student Body and approved by the SGA. All members are appointed annually and may serve successive terms.

The Traffic Appeals Committee meets monthly. Information pertaining to your appeal, including final decisions, will be received via email.
