Dear President Burran:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Clinical Laboratory Technician/Medical Laboratory Technician program's accreditation as decided at the September 26, 2008 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program on March 17-18, 2008.

Accreditation for your program will continue until October 31, 2015. As a result, your program will commence the continuing accreditation process with submission of the Self-Study Report on October 1, 2014 and the scheduling of a site visit during March 2015. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,
