

## **Program Pathway for Bachelor of Business Administration in Logistics and Supply Chain Management**

### **Program Summary**

Are you looking for a dynamic career managing and improving supply chains? Supply chain management is the management of product flow, information, time, and money. It is about making sure supply meets the business demand of a company. Logistics manages the how of goods. Supply chains and logistics impact almost every other business function. If you are a person who likes organization and maintaining efficiency, then you may be an ideal candidate for our LSCM major.

### **Career Options and Outlook**

As companies continue to expand their operations nationally and globally, demand for LSCM graduates is at an all-time high. Career options include:

Buyer and Purchasing Agent  
Inventory or Logistics Planner

Logistics Analyst  
Supply Chain Analyst

### **Program Pathway Information**

This map is a term-by-term sample course schedule and is a general recommendation. DSC encourages all students to take between 30-33 hours per year to graduate in four years. Learning support requirements may impact schedule. ENGL 1101, 1102, MATH 1101, 1111 are Writing and Mathematics foundation courses. Bold and asterisk (\*) courses have been identified as "key courses." It is required that students pass these key courses with a "C" or higher in order to be successful in this program. Please note this includes ALL 3000-4000 level business courses. Many LSCM courses are taught once a year. Taking courses in sequence is critical to prevent delay.

### **Milestones**

**First Year Milestone:** Complete Writing and Mathematics courses.

**Second Year Milestone:** Complete BUSA 3301 and Field of Study courses with a 2.25 GPA or higher. Consider joining student organizations (ex. Wright Club).

**Third Year Milestone:** Consider internships.

**Fourth Year Milestone:** Submit graduation application by the end of the first term. Complete FINC 3056, MNGT 3051, MARK 3010, LSCM 3251, BUSA 3701 by the end of the first term. Prepare for professional credentialing certification exams and any other graduate school programs.

The milestones listed each year are designed to keep you on track to graduate. Students are strongly encouraged to meet with their academic advisor each year to review their progress. Missing course milestones could result in a delay in graduation.

Students are encouraged to differentiate themselves in the marketplace and can do so by completing a minor. All minors in the Wright School of Business are targeted programs aimed to meet workforce needs, improve your marketability, and can be completed quickly.
