10. Select *checkout* (students will be charged for additional registrations)

The screenshot shows the Dalton State Parking website interface. At the top, there is a header with the Dalton State logo and the word "Parking". To the right of the header, there is a "Logout" button and a status indicator "Logged in as Michael Masters". On the left side, there is a sidebar menu with links to "Account", "Vehicles", "Tickets", and "Permits". The "Vehicles" link is highlighted with a red circle. The main content area is titled "Your Shopping Cart" and contains a table with the following items:

Item	Price	View
Permit - Employee Start Date: 12/17/2019 End Date: - Vehicles: • ID 55555 (GREEN 2001 Daihatsu Charade)	\$0.00	
Remove	Total	\$0.00

Below the cart, there is a "Checkout" section with a "Contact Information" label. An "Email" field contains the text "mmasters@daltonstate.edu". A red arrow points to the "Checkout" button, which is located at the bottom right of the checkout section.

At the bottom of the page, there is a footer with the text "AMS Web 5.0.0.0 (c) 2017 EDC Corporation".

11. Use the *modify account vehicles* tab to update vehicle information. Any vehicle parked on the Dalton State Campus must be registered.
